ORDER:

Heard both the learned counsel.

The petitioner questions the order dated 28-06-1993 imposing punishment of postponement of annual increment for a period of six months, which shall have the effect of postponing the future increments. The petitioner contends that imposing the punishment of postponement of increments with cumulative effect is a major penalty and the same cannot be imposed without conducting an enquiry.

This court in S.K.MASTAN v. MANAGING DIRECTOR, APSRTC held that imposition of punishment of postponement of increments with cumulative effect is a major penalty and the same cannot be imposed unless preceded by an enquiry.

Having regard to the facts and circumstances of the case and following the above judgment, I am inclined to modify the punishment imposed on the petitioner to that of postponement of one increment without cumulative effect instead of initiating disciplinary proceedings once again, for which the respondents have no objection.

Accordingly, the writ petition is disposed of modifying the punishment imposed on the petitioner to that of postponement of annual increment for a period of six months, which shall not have the effect of postponing the future increments. No costs.
